Attorney Dawn M. Weekly is a native of Sandwich and has focused her practice on elder

law since 2009. She can tell you what you need to know about the long-term care maze, so that you can ensure your loved one's care while protecting the family assets. She will provide you with a plan that maximizes resources and saves money, while giving you the legal protection you deserve. She will help you determine if there are benefits you may be entitled to, such as Medicaid or VA benefits. She wants to be certain you have the options available to choose the care you need!

When you work with Dawn, you'll be given a plan for your loved one that will encompass their legal, financial, and care needs. An Elder Care Coordinator will monitor your loved one's care and coordinate with care providers to ensure they get the care they need and deserve.
